

Meet Our Product Champions

Tracy Vignola

Position: Hydronic Manager and Prestige and Watts Radiant Product Champion

Location: Tackaberry Dalton

Contact: 1.800.465.7088 | 613.549.3320 | tvignola@tackaberry.com

Bio: Tracy started with Tackaberry in December of 1998 after spending several years with a large plumbing based wholesaler in the Kingston region. Since this time, Tracy has earned a tremendous amount of loyalty and respect as a leading source of knowledge on all things wet heat.

Tracy currently holds several trade certifications including heat loss/gain, air system design and residential radiant hydronic design. He has attended countless technical seminars with both Watts Radiant and Prestige.

Tracy's strong sense of commitment to his customer has earned him a reputation as a leader in his field and a reliable and trustworthy partner to many of our wet heat customers.
